

United States Department of State

Washington, D.C. 20520

SEP 29 2008

Dear Madam Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement for the export of defense articles, including technical data, and defense services in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of defense services and defense articles, including technical data to Mexico for continued manufacture of slip rings, brush blocks, polytwists, torque motors, resolvers, fiber optic front end couplers, and synchros for a myriad of defense systems.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights, and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

A handwritten signature in dark ink, appearing to read "Matthew A. Reynolds".

Matthew A. Reynolds
Acting Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 120-08
